

**FOR IMMEDIATE RELEASE**

## **The United Food Bank of Plant City gears up for the Christmas Turkey Drive**

*Plant City, Florida — December 10, 2014* — The United Food Bank of Plant City will be giving away Christmas turkeys to needy families in our community from 9 a.m. to 5 p.m. on Monday, December 22. The distribution will be held at 702 East Alsobrook St. Suite H in Plant City on a first come, first-serve basis.

During our recent Thanksgiving turkey drive our facility served more than 450 turkey's, a number that nearly double from last year's distribution. We are expecting a similar outcome for the Christmas drive and are asking for the community's help in order to help these families this holiday season.

"We hit record numbers this year during our Thanksgiving turkey drive, said Christine Miller, Director for The United Food Bank of Plant City. "Without the help of our local community we would not have been able to serve these families."

We are now accepting turkeys and non-perishable food donations at our facility. If you would like to make a donation or learn more about our organization please contact Christine Miller at 813.764.0625. Visit [www.ufbpc.org](http://www.ufbpc.org) to learn more about volunteer opportunities and online giving.
