

Seeking those who have a heart for art and a heart for the hungry...

Learn to street paint for Plant City's Empty Bowls Fifth Annual Street Painting Show!

Come learn from Leigh Alfredson, professional street painter, at a workshop on **Saturday, November 3, 2018**, and then join us for the Empty Bowls event on **Saturday, November 10, 2018**! The workshop will start with a PowerPoint presentation that covers the history of the art form. Leigh will then cover techniques of how to enlarge your drawing for the sidewalk, show many examples of pastel chalk masterpieces produced on the pavement, and talk about techniques and composition. Students will work on designs that express the Empty Bowls' theme of **FILLING HEARTS AND FILLING BOWLS**. This indoor presentation will then be followed by a hands-on portion outside on the pavement as Leigh helps the students express the theme in a strong visual way, coaching them in techniques that help them to be successful street painters. Designs planned at the workshop will then be street painted by the students at the Empty Bowls event the next Saturday, November 10.
