

Art teachers and students, here's a chance to combine your heart for art with your heart for community service!

## Learn to street paint for Plant City's Empty Bowls Seventh Annual Street Painting Show!

Come learn from Leigh Alfredson, professional street painter ([www.learntostreetpaint.com](http://www.learntostreetpaint.com)), at a workshop on **Saturday, October 24, 2020**, and then join us for the Empty Bowls event on **Saturday, November 14, 2020**! The workshop will include a PowerPoint presentation that covers the history of the art form, techniques of how to enlarge your drawing for the sidewalk, and examples of pastel chalk masterpieces produced on the pavement. This indoor presentation will then be followed by a hands-on portion outside on the pavement as Leigh helps the artists express the Empty Bowls theme of **FILLING HEARTS AND BOWLS** in a strong visual way. This workshop is for adult and high school artists. (Please see the information that follows for elementary and middle school artists as they are encouraged to street paint for the November 14<sup>th</sup> event but do not have to attend the workshop.)

**Social distancing guidelines will be in place to ensure the safety of all artists!**

**\*Teachers, up to 6 recertification Inservice Points are available for participation in both workshops! A certificate of completion and agenda will be provided.\***

**\*\*\*To participate in the Empty Bowls Street Painting event on November 14th, high school and adult artists must attend the workshop on October 24th. Elementary and Middle School students do not need to attend the workshop and need only to complete and submit the required registration form and design idea. \*\*\***
