

# Learn to street paint for Plant City's Empty Bowls Street Painting Show!

Come learn from professional street painter Janet Tombros at a workshop on **Saturday, October 28, 2023!** Then put your skills to work to raise awareness for hunger by creating your design on the sidewalk at the **Empty Bowls event on Saturday, November 11, 2023!** The workshop will cover the basics of applying a chalk image on the ground. You will learn techniques such as transferring the image to the sidewalk, choosing optimal colors for greater impact, and blending your chalk. The indoor workshop will be followed by a practice session outside on the pavement as Janet helps the artists express the **Empty Bowls theme of FILLING HEARTS AND BOWLS** in a strong visual way.

Janet is certified "Master" street painter with Chalk Art Nation and an established acrylic artist on both canvas and murals in Florida. She has been a featured artist at many Chalk Festivals throughout the United States and has been teaching students the art of street painting for many years. She will be creating a 3-D design on the sidewalk on the day of Empty Bowls. Come have your picture taken on her 3-D design!

**High school students, you can earn 6 volunteer hours by participating in the workshop and Empty Bowls event!**

**Teachers, your students can attend without you there, BUT you can earn up to 6 recertification Inservice Points for participation in both workshops! A certificate of completion and agenda will be provided.**
